

How to Add a Portfolio to Mirror Trader

AMarkets LTD, Suite 305, Griffith Corporate Centre 1510, Beachmont, Kingstown, Saint Vincent and the Grenadines info@amarkets.com

How to Add a Portfolio to Mirror Trader

In the top menu in the Mirror Trader platform, go to «My Account», then «My Strategies», click on the portfolio image, select «load portfolio» from the pop-up menu and specify the file path to the downloaded portfolio from the site in mtp2 format.

1 MirrorTrade	e r Da	ashboard My Accour	Strategies Market				
💄 Му Ассо	unt	1					
Open Positions	History 🤋 🌔	My Strategies	Account Settings				3
Name	Symbol	Amount	Pips	P&L	Trades	Active\Inactive	Save Portfolio Upload Portfolio
							Export to Excel

In the portfolio upload window, check the «Add all selected strategies to my Portfolio» box and click the "Add strategies" button.
